Invitation

SMME Indaba to facilitate partnership discussions between business and municipalities on local economic and small business development programs!

TaranisCo Advisory CC, a premier tendering development specialist enterprise with 20 years of experience and dealing with some of SA's largest suppliers to government, is hosting the **SMME Indaba to introduce the Start-up and Grow Program for municipalities.**

Funding for Small Businesses to be sourced through the Startup & Grow Program

The **Indaba** will launch the **Startup & Grow Program** for municipalities to facilitate a process of promoting entrepreneurship among local youth under the program that will support both those starting-up as well as providing mentorship for others who have recently gone into business since support in the formative years of an SMME is an essential requirement for sustainability. The objective of the **Indaba** is to guide municipalities on how to get its suppliers and other corporates to contribute towards its own local **Startup & Grow Program** and also partnering with corporates under the **B-BBEE Codes** to fund enterprise and supplier programs of the **Program**.
