To whom it may concern,

This is to confirm that Gerrit Davids, Founder and Lead Advisor of TaranisCo Advisory, a South African based incorporated corporation, is a training facilitator for the Consulting Engineers South Africa (CESA) NPC.

The Consulting Engineers South Africa Non-profit Company (CESA NPC) aims to build capacity and understanding among members of the consulting engineering sector and their clients through targeted training and continuing education both within South Africa as well as cross-border.

Consulting Engineers South Africa (CESA) is a voluntary association of Consulting Engineering firms with a member base across the country totaling more than 580 companies. CESA is the custodian of the wellbeing of the industry, supported by member firms who employ approximately 17 000 people. CESA members are compelled to subscribe to upholding the integrity of the industry by adhering to a professional code of ethics providing quality and cost-effective professional consulting engineering services.

Mr Davids presents one of our courses, the “Advanced Tendering-Key Principles”, which primarily focuses on the regulatory aspects of public sector procurement inclusive of bid preparation, the regulatory and policy principles of sustainable contract management and execution.

We have the pleasure of recommending Mr Davids as a facilitator and speaker on the subject of regulatory aspects and sustainable public sector procurement.
